Case 32-CA-134057

**EXTENSION OF TIME TO FILE CROSS EXCEPTIONS, SUPPORTING BRIEF  
AND ANSWERING BRIEF**

On June 30, 2015, the due date for the filing of Exceptions, the Charging Party filed a request for an extension of time to July 31, 2015 to file a "Brief in Support of Exceptions." Section 102.111(b) of the Board's Rules and Regulations provides that: "A request for an extension of time to file a document shall be filed no later than the official closing time of the receiving office on the date on which the document is due. Requests for extensions of time filed within three days of the due date must be grounded upon circumstances not reasonably foreseeable in advance."

Here, the Charging Party filed its request for an extension of time on the day the document was due, but did not offer any "circumstances not reasonably foreseeable in advance" for its failure to file the request at least 3 days before the June 30 due date. Nevertheless, in view of the Respondent's timely filing of Exceptions on June 30, the Charging Party has until July 14, 2015 to file Cross Exceptions. In these circumstances, we have construed the Charging Party's request as a request for an extension of time to file Cross Exceptions.

Accordingly, the due date for the receipt in Washington, D.C. of Cross Exceptions and Supporting Brief is extended to **JULY 31, 2015**. Pursuant to Board policy, Answering Briefs to the Respondent's Exceptions also are now due on July 31, 2015. These extensions of time apply to both the Charging Party and Counsel for the General Counsel.
